## HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Between 30 and 40 residents of Hardwick are ill with the jaundice.

The largest deer reported so far this season is a 325-pound buck shot by Gerald Green of Dover.

Mr. and Mrs. Allen Bicknell of Underhill Center, observed the fiftieth anniversary of their marriage November 11.

Stillman White celebrated his 96th birthday November 17, at his home in Bristol. He is in good health and retains his mental faculties.

A valuable horse belonging to Jerome Holden of Westminster West became strangled in a rope head stall and died soon after being released.

Bristol clergymen have decided to do away with the customary union Thanksgiving service this year but give Thanksgiving sermons on Sunday in their respective churches.

Raymond Turrill of Shoreham, aged 17 years, was badly injured a few days ago when his right arm was caught in a shredding machine and badly mangled. It is likely that amputation will be necessary.

Miss Lillian Cole, a 14-year-old Stamford girl, killed a large buck in that town Thursday. She brought down the 150-pound buck with one shot. Chauncey Ward of Poutney, aged 13, shot a 100-pound deer.

Bingham brothers of South Newfane started their carding mill last week and will run it ten days in all. This is the only carding mill in that part of the county and the knitters from surrounding towns come there year after year to have their wool made into rolls for spinning.

Mrs. H. W. Stearns was badly burned about the face Thursday, when a dish of Karo Corn syrup, on the back of the stove at her home in St. Albans, exploded, throwing the hot syrup into her face. At present she cannot see, but it is not expected her sight is permanently destroyed.

Friday's wind and rain storm struck Rutland forcibly, many trees being blown down and buildings unroofed. Much damage was done in all sections of the city. Lighting facilities were also badly interfered with and electric cars were unable to go from West Rutland to Castleton from noon until 7 o'clock in the evening. In Castleton poles and trees were laid low, many windows were broken and the storm was considered the most severe in many years. In Bennington the storm raged so furiously that the schools were closed at noon and the young woman clerks in the stores did not return for the afternoon.

In Bristol, farm buildings were badly damaged in some instances and trees fell all over the town. It was estimated that the wind reached a velocity of a mile a minute.

## IMPLICATED IN 30 BREAKS.

Bellows Falls Youths Make a Startling Confession of Evil Doing.

Bellows Falls, Nov. 20.—Peter Augustonowicz, 15, and Adam Swicko, 14, the two Polish boys who were taken to the police station a week ago and interrogated in regard to money which had been stolen from the cash register at a rummage sale under the auspices of the Woman's club for the benefit of the district nurse fund, appeared before Judge T. E. O'Brien yesterday and pleaded guilty to taking the money. Augustonowicz was sentenced to six years in the industrial school at Vergennes and Swicko drew two years.

The boys have had records. Peter was discharged from the industrial school last Christmas and with Swicko and two other boys was arrested early last summer, charged with breaking and entering. Two of the boys were sent to Vergennes and Augustonowicz and Swicko's cases were continued and then placed on file.

Following their detention last week they were not actually placed under arrest until Thursday. They admitted to the police that since June, 1912, they had been implicated in no less than 30 breaks, most of which were in the business section of the town.
